

ROSANNA BERARDI, ESQ.

IMMIGRATION MEDIA SOURCE,
EVENT SPEAKER,
ENTREPRENEUR

Rosanna Berardi is a nationally recognized immigration attorney, media source, and sought-after speaker on U.S. immigration issues. In 2005, she left a highly coveted big-firm position to launch her own immigration law practice with a single client and a desk in a small apartment. Today, that firm, Berardi Immigration Law, is an award-winning, multinational business immigration practice serving thousands of clients across countless industries worldwide.

A first-generation Italian-American, Rosanna Berardi built her firm around the philosophy of "unreasonable hospitality", the belief that creative and intentional care for every person you serve can transform a transaction into a lasting relationship. At Berardi Immigration Law, a New York State-certified woman-owned business, that ethos shapes everything. Rosanna entered private practice in 1998 after a career spanning roles as an Immigration Inspector at the Peace Bridge, an Immigration Trial Attorney for the former INS in New York City, Immigration Counsel at SUNY Buffalo, and an Immigration Associate at Buffalo's largest law firm. Today she leads a team of more than 20 professionals as Managing Partner.

Her recognition reflects her impact. Rosanna has been selected to Best Lawyers in America® (2026) and Super Lawyers (2019–2025), placing her in the top 5% of attorneys nationwide. She was named a C-Level Executive Honoree by Buffalo Business First (2025), a category leader on Inc. Magazine's Female Founders 200 List (2023), and Woman Entrepreneur of the Year by Women Owned Law (2020). She serves as a Director of the University at Buffalo Law Alumni Association and Chairperson of the AILA Customs & Border Protection Liaison Committee.

Outside the firm, Rosanna is the Founder and CEO of High Wire Woman, a consulting platform for women ready to lead boldly and reinvent on their own terms. She is also the creator of Luxury Purse Bingo, a charitable event that combines winning designer handbags with meaningful community impact. What started as a creative fundraising idea has grown into a beloved signature event that supports local causes and brings women together for generosity and fun.

Beyond her professional achievements, Rosanna is deeply committed to her family and community, actively supporting local organizations including Sophia The Fierce, Kaely's Kindness, Totally Buffalo, Ronald McDonald House, and more. When not advocating for clients, Rosanna enjoys time with her son Salvatore, husband Jack, and their Havanese, Lola.
